### **Days 4-6: Sea Lions, Glamping!**

#### **Sea of Cortez and Isla Espiritu Santo Glamping Adventure**

Espiritu Santo National Park in the Sea of Cortez is part of a UNESCO World Heritage Site, and is one of the best marine life viewing destinations in the world. Whales, dolphins, whale sharks, sea turtles, manta rays and plenty of beautiful tropical fish call the surrounding waters home, while a terrific range of bird species including Blue-footed Boobies, Reddish Egrets, Great Blue Herons and Yellow-footed Gulls frequent the island's skies and shores. The island itself is stunning, with magnificent towering cliffs, spectacular sandy bays, amazing lava rock formations, and rock art left by the now-extinct Guaycura and Pericu Indians. There's even an endemic ring-tailed cat, the *babisuri*. It's a remarkable place to explore. We'll spend the days kayaking, snorkeling, hiking, swimming with sea lions, stand up paddle boarding, bird watching, checking out cave art, and exploring hidden lagoons and desert beaches.

We have a base camp on one of the island's most beautiful beaches that features beautifully decorated walk-in safari-style tents with real beds, lovely linens, bedside tables, lanterns, beach towels, storage space, rugs, chairs, and more. Espiritu Xantus Café is where our on-site chef makes wonderful meals for you every day – and daily happy hour of course - and there are two sun showers and two compost toilet cabañas.

#### **Day 6:**

##### **Return to Todos Santos in the afternoon**

Evening:

##### **Farewell dinner at Michael's at the Gallery**

An absolutely delicious meal prepared for you by local artist, sculptor and chef Michael Cope.

#### **Day 7:**

Say adios but not good-bye!
